Softonic reviewIf you're keen to learn what the Ubuntu phone experience is all about but are still not sold in on buying an Ubuntu phone, Ubuntu Phone Experience is the app you need.Fresh ExperienceIf you're an Android user and would like to have a different user experience on your phone, try Ubuntu Phone Experience. This is not yet another launcher that effects only skin-level changes. This app revamps the entire OS so that you have a complete feel of Ubuntu on your Android device. People who are into rooting devices would find this app quite exciting and exploratory. Ubuntu is all about swipes and gestures. You can swipe across your device to finger-lift your favourite apps. In other words, you can launch apps at will, from anywhere on your device. There are sidebar themes as well.Downloading the AppThe app mimics almost all features of the Ubuntu OS. The app was originally available on the official Android store, but it was later brought down for reasons unclear. It's believed Google may have got a bit wary of the potential of Ubuntu and its users making the switch to Ubuntu hardware. That said, the app can still be downloaded onto your Android device via an external link. It works on almost all Android devices and ROMs. The app experience would stay rich and immersive, irrespective of the device you use it on.Feature-rich Ubuntu experienceMultiple adjustment optionsCannot be downloaded directly from Play StorePremium version needed to unlock all features MangaZone WSV · Sách và Tài liệu tham khảo Freed Audiobooks Sanity Audio Apps · Sách và Tài liệu tham khảo Webnovel Cloudary · Sách và Tài liệu tham khảo GUIDE for Dungeon Hunter 4 dariemordii · Sách và Tài liệu tham khảo Stats Royale for Clash Royale Overwolf · Sách và Tài liệu tham khảo Ebook Reader & PDF Reader Easyelife · Sách và Tài liệu tham khảo eReader Prestigio: Book Reader Prestigio development team · Sách và Tài liệu tham khảo PDF Reader pickwick santa · Sách và Tài liệu tham khảo Scribblenauts Unlimited Tips + 90 000 000 · Sách và Tài liệu tham khảo Audible Audible, Inc · Sách và Tài liệu tham khảo by Alex Cattle on 27 August 2019 by Canonical on 2 January 2013 Leading open PC platform with huge global following announces mobile version for network operators, OEMs and silicon vendors Fast, beautiful interface for... by Canonical on 6 June 2012 We've been extremely busy at Computex, with over 1,000 people visiting the Ubuntu booth, and over 25 media interviews about Ubuntu for Android, Ubuntu Cloud...
