The following codes are now not working anymore; Mining Simulator 2 Wiki For Codes FAQ In the FAQ part, we will explain how to redeem the codes and how you can track the codes manually. Although, the best way to track the new codes is by visiting this page, as we will be covering the new codes. Bookmark this code wiki page and come back often for new code updates. How To Redeem Mining Simulator 2 Codes? It's straightforward. Click the Twitter code button on the left of the screen. This will pop up a new window where you will find the code input box. Click it and choose to redeem the code on the next screen. Enter the code and get the rewards. If the code is active, you shall receive the rewards immediately. Also, make sure that code is appropriately entered as some codes are case-sensitive. And, if the code is inactive, the game will show you a message saying that the code is expired or not available. How To Get Mining Simulator 2 Codes? We would like to clarify that we do not make Mining Simulator 2 codes; it's all up to the game developers when the new codes come out. Usually, new codes will come out when there is a big update, event, festival, or milestone accomplishment. For instance, many Roblox game developers release new codes every time their game hits likes/visits milestones. We recommend following the game's official social media pages on Reddit, Facebook, Twitter, Instagram, or Discord for the new code updates. Most Roblox game developers create Roblox Group, Discord, or Twitter page. You will rarely see the game's pages on Instagram or Facebook. [Also, see - Mining Simulator 2 Wiki: Value List] When it comes to Mining Simulator 2 codes, you shall follow their Twitter Account. That's all we got in this Mining Simulator 2 wiki for codes. We provide the fastest updates and coverage on the Roblox game codes, so please bookmark this page and share it with your friends. As soon as a new code comes up, we will add it to the list. You can also share the codes that are not in the list above and share those unlisted codes in the comment section below. Thanks for visiting this page.
