Fun activities for grade 6, 7 year old math.

At the evening of parents, many parents said it would be helpful to have a list of websites for children to go home to practice their schedules tables and other number facts and their spellings. Here is a list of websites with links to games and to websites where you can download spreadsheets that every link to the standard Year 4. Times Tables and spelling sites to go home We hope everyone has a fantastic two weeks off! Well done for all your hard work this term. Here is the Easter home lesson for each class. In the first week after the Easter holiday, we will be doing a week of poetry before starting our Harry Potter project. Our poetry focus will be "The Highwayman" by Alfred Noyes. In preparation, read your copy of the poem. There is old-style language that you may not have come across before. Take the time to understand and discover what new words mean. Please also choose your favorite stanza and learn it from heart. We will be reciting our favorite parts in the circle of the first day back! Have a nice Easter break and be safe. Miss Snowdon. Here is the home lesson of Easter and spellings for the Year 2! There is also a reading competition and activities will be defined in Mathletics. Have a nice break! Year 2 team Individual holidays Easter learning house Literacy Throughout our writing, we are always focusing on the writing ladder. It is very important that you know the ladder very well so that you can work on any gaps you can have. During the holidays, you can look through the ladder and research and practice the skills. Some useful websites for researching grammatical skills are: . co.uk/bitesize/ks2/english/spelling/grammar/ with . co.uk/english-games/7-11-years/spelling-and-grammar When you have practiced these skills, identify what your next steps need to be. Do you need to apply these skills to your writing?
