Autobiography  
4 December 2012

My name is Maria Angélica Bucarella. I was born on March 7, 1965, in Tawak City, Michigan. My parents are James and Michelle Bucarella, and I have three younger siblings, Sophia, Alex, and Samuel. I attended Holy Family Catholic School in East Tawak from kindergarten until sixth grade. While there I participated in band, choir, Girl Scouts, Council of Catholic Girls, volleyball, softball, and basketball. I was on honor roll and received an academic achievement award. Attending a catholic school helped me to grow academically, in my faith, and as a person, giving me very moral standards. In seventh and eighth grade I attended Texas Junior High. I was involved in volleyball, basketball, and Club PRIDE. I was on honor roll every semester, and received the presidential academic award.

I currently attend Tawak High School. I am involved in Inno Drive, Spanish club, Intramural dance, youth group, Student Senate, volleyball, soccer, and National Honor Society. I currently have a 3.88 cumulative g.p.a. and am fifth in my class of 117. Through my school, I go to camp every day for two hours in the 61st District court. While there I have learned many school that pertain to a future career in law: I file papers, type bonds, and observe court. This has given me first-hand experience identifying legal documents and understanding how to proceed in court.

## Autobiography Project for Language Arts

For this project, you will write your autobiography. You should consider how who you are is shaped by many influences, like family and friends, your experiences, and the world around you. Factors like your beliefs, religious and other beliefs, cultural background, role models, major achievements, or challenges you have faced in your life may be important to who you are. Which influences in your life have most shaped who you are?

All projects will be typed unless you have cleared it with me in advance that you do not have access to a computer. Your project will be 3-4 pages typed. You must use black ink, #12 font size, double space, standard margins, and clear print font (like "Times New Roman"). Students who are not able to type their projects (Again, this must be cleared with me in advance.) will write 6-8 pages skipping lines.

**Due Dates:**

- The outline is due on September 11th. (The outline will also be typed.)
- You will bring a complete ( 3-4 pages) typed rough draft to class on Oct. 14th.
- The final copy is due on Oct. 17th.

Directions for the outline:

- For each paragraph, write a topic sentence. (No fragments!) Use numbers to indicate each separate paragraph.
- **List** the separate subjects of your paragraph. (Do not use complete sentences.) Use letters to indicate the subjects within the paragraph.
- Your project should follow the order of your outline.
- Your outline should be short and concise and fit on 1 page.
- See the sample outline on the back of this page.

**Some Suggestions:**

- Everyone will have one paragraph that tells when and where they were born and some information about their family. (This should come first.)
- You can talk about sports, hobbies, and other activities.
- You can talk about places you have traveled to.
- You could mention any major life incidents like hospital stays or surgery.
- You can talk about things you are proud of that you accomplished.
- You can talk about any special interests you have.
- You could talk about your plans for the future. (This should logically come last.)

There are numerous other topics that one could write on. The above topics are only suggestions.
